# Cage Bird Conditioner

Cage Bird Conditioner is specially designed to build and maintain peak condition in canaries and finches both during the breeding and moulting season, and in preparation for exhibition purposes. The inclusion of oil-rich tonic seeds supports skin condition and quality plumage. Feed regularly but sparingly to support optimum health.

- Excellent tonic properties
- Produces superb condition
- Silky plumage
- Ideal for breeding & showing season

**Composition:** Black Rapeseed, Japanese Millet, Niger, Hemp, Linseed, Blue Mawseed.

**Feeding Instructions:** Feed daily in small amounts as required. Ensure fresh clean water is always available. Provide a good quality grit for extra minerals and to aid digestion. Fresh fruit and greens, Millet Sprays, Cuttlefish and treats will all usefully add nutritional variety, and provide a positive everyday stimulus for enclosed birds. An egg food supplement, especially during the Breeding and Moulting season is also beneficial.

**Available In:** 15kg Bags.
