

Four Seasons

Four Seasons is a selectively chosen blend of cereals, seeds, safflower and black sunflower, supplemented with naked oats to provide a highly digestible source of energy all year round, particularly through the colder months when natural food sources are low. The added Pro-tec Health Aid boosts the nutritional value of Four Seasons by helping to naturally support the well-being of birds, aiding the micro flora in the gut and providing essential elements for the immune function.

- Economical
- High in oil & energy sources
- Contains Pro-tec Health Aid
- Feed all year round

Composition: Wheat, Maize Chips, Black Sunflower, Millet, Naked Oats, Safflower, Barley, Pro-tec Health Aid.
