

# Standard Mixed Canary

Standard Mixed Canary is a basic mix that caters for the nutritional requirements of all canaries. The inclusion of linseed and hempseed are quality sources of oil for skin condition and quality plumage. Additionally, the sweet black rapeseed and nigerseed help to support internal organ functioning and maintain overall health. Standard Mixed Canary is an ideal, economical mix that can also be used as a breeding mix by adding a dash of Bamfords Cage Bird Conditioner.

- Great value
- Nutritious
- Suitable for all canaries
- Promotes skin condition & quality plumage

**Composition:** Canaryseed, Black Rapeseed, Linseed, Hemp, Niger.

**Feeding Instructions:** Feed daily in small amounts as required. Ensure fresh clean water is always available. Provide a good quality grit for extra minerals and to aid digestion. Fresh fruit and greens, Millet Sprays, Cuttlefish and treats will all usefully add nutritional variety, and provide a positive everyday stimulus for enclosed birds. An egg food supplement, especially during the Breeding and Moulting season is also beneficial.

**Available In:** 20kg Bags.
