

BAMFORDS TOP FILIGING ®

Super Mixed Canary + Egg

Super Mixed Canary with Egg is a top of the range canary mix. It contains numerous oil and protein rich seeds that help prepare birds for the breeding season as well as promoting quality skin and feathering. The birds just love the added blend of natural wild seeds in this mix, which along with the sweet black rapeseed and nigerseed, helps to support internal organ functioning and maintain overall health. Super Mixed Canary with Egg provides birds with an all-round well balanced diet packed with quality nutrition, and is the ideal diet for your birds.

- Premium mix
- Rich in oil and protein
- Prepares for breeding season
- Supports internal organs
- Promotes overall good health

Composition: Canaryseed, Black Rapeseed, Nigerseed, Hemp, Naked Oats, Linseed, Wild Seeds, Egg Biscuit.

Feeding Instructions: Feed daily in small amounts as required. Ensure fresh clean water is always available. Provide a good quality grit for extra minerals and to aid digestion. Fresh fruit and greens, Millet Sprays, Cuttlefish and treats will all usefully add nutritional variety, and provide a positive everyday stimulus for enclosed birds. An egg food supplement, especially during the Breeding and Moulting season is also beneficial.
