# T3 SuperHerb

T3 SuperHerb is a specially formulated herbal drink used to support the well-being of racing pigeons. It contains 19 natural herbs specifically selected based on their traditional actions for digestive health, respiratory function, supporting the heart and circulation and acting as an anti-bacterial and anti-fungal product. T3 SuperHerb is produced by Spavins Herbs, a leading supplier of the finest herbs from Europe and Asia for over 25years, so quality is guaranteed.

- Works as an Anti Bacterial and Anti Fungal treatment
- Supports digestive health
- Supports respiration
- Helps heart & circulation
