

Coarse Goat Ration

Coarse Goat Ration is a complementary mix for feeding with forage. Use the ration for up to 70% of the dietary dry matter fed. Coarse Goat Ration contains high levels of protein to support the maintenance of condition. The balanced vitamins and minerals in our formulation provide extra nutrition not available in forage alone, supporting overall health and immune functioning. The oils and fats present help promote healthy skin and coat naturally to deal with the varying weather conditions and give overall better condition.

- High protein
